

ABOVE THE LINE

Since he was first asked about depth charts and two-deeps, Georgia Tech head coach Geoff Collins has insisted that he doesn't believe in them. He coaches his student-athletes to be **ABOVE THE LINE (ATL)**. Those who are ATL are ready to play and can see game action, while others work to get to that level. In place of a traditional depth chart that often omits some student-athletes who see game action and lists others who seldom enter the game, Georgia Tech will list student-athletes who are above the line, in numerical order by position (student-athletes that started the previous game are printed in **bold**).

The ATL list will be updated on Thursday of each game week. The list below reflects those who were ATL going into Georgia Tech's season opener at Clemson.
